Summer Striker camps

The Art of SCORING GOALS

Travel & Premier
Players
(Ages 8 - 14)

Dates:

August 1 - 5

&

August 8 - 12

THE PROGRAM

The Summer Striker Camps at Soccer Sportsplex are the only camps in the area dedicated specifically toward the art of scoring goals. Shooting on goal is essential, not only for forwards but midfielders and defenders as well. Players at every position must develop the skills of a goal scorer. Great goal scorers are made, not born. Players must be subjected to constant repetition under pressure to master the skill of scoring.

Striker Camps help build player confidence through repetitive shooting exercises that will simulate the pressure situations players face during a game. For one week, every player will finish with a shot on goal. Players will be put in every conceivable situation from one touch shooting to half and full volleys.

SESSION INCLUDES:

- ◆ Power Shooting
- ◆ Positioning
- ◆ Dribbling w/ Speed
- ◆ Shootouts
- ◆ Ball Placement
- ◆ Break away techniques
- ◆ One v. One
- ◆ Penalty Kicks

The Camps will take place inside our air-conditioned facility as well as on our outdoor field. This innovative outdoor field incorporates the best of both indoor and outdoor soccer. The field is 210 feet by 130 feet and features Sportex© artificial turf, which is most like natural grass. It also provides a level playing surface consistent throughout the field and the surrounding nets prevent the players from spending time chasing balls. Ohio soccer has never seen anything like it before.
